

**TONDINO FORCELLA - FORCELLA TIPO TE61X / TE62X / TE63X**  
FORK - FORK ROD TE61X / TE62X / TE63X TYPE

Acciaio inossidabile AISI 316  
Stainless steel AISI 316

- Lunghezza massima barra 2 m. Per lunghezze maggiori utilizzare il giunto di collegamento
- Controdado di bloccaggio
- Esecuzione con filetto sinistro e destro
- Finitura superficiale di macchina o a richiesta elettropulito
- Length of rod up to 2 m. For lengths greater than 2 m the joiner is required
- Lock nut
- With left and right thread
- Matt finishes or Electro polished upon request
